

Laser Europa Cup

April 7th to April 10th

JK Burja, Izola - Slovenia

Report:

On Thursday the competitors sailed one race on 2.5 to 5 knots of wind.

Friday was mourning day due to Pope's funeral, so no regattas were raced and the competitors used the forced lay day for training in sunny weather.

On Saturday we raced three races in all classes in 10 to 15 knots of SW wind, rain included. :)

Sunday was governed by strong NE wind (bora) in gusts up to 30 knots, so two regattas for laser standard and one regatta for 4.7 were raced.

Wind grew stronger so the race committee called the regattas off and sent the competitors to the shore.
